G'Day Everyone,

We have recently supplied the stone for the new Dining and Entertainment Precinct at Westfield Tea Tree Plaza, Modbury (pictured).

We are very proud to have been specified for this project.

Random Quarry Face Veneer and Natural Capping give the new revamped shopping centre an upbeat, earthy and natural feel.

All the best from BRS.

**Westfield Tea Tree Plaza - Dining and Entertainment Precinct**

**Basket Range Random Quarry Face Veneer**

**Congratulations to Outerspace for winning the Landscape Architecture award in the category of Civic Landscape for this project in the 2019 AILA Awards**

**Concept: Scentre Group**

**Architect: Outerspace**

**Stonework: Ranieri Bricklaying**

The natural material to build your dream...

## Product In Profile Basket Range Random Paving

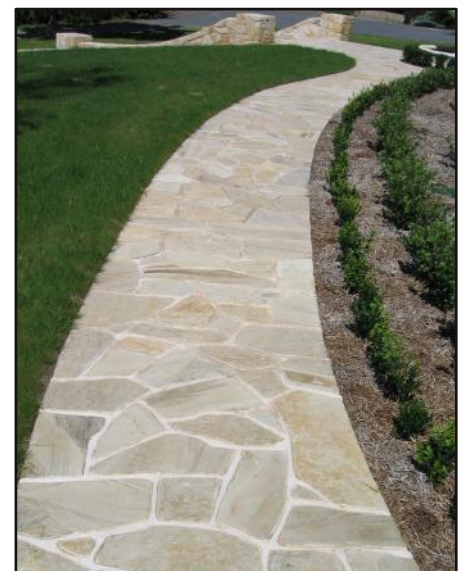

Basket Range Sandstone produces random shaped paving. This product is 50mm thick, cut top & bottom leaving the natural shape of the stone.

Our pavers are a natural quarry stone with all the traditional sandstone colours to complement your garden greenery. They are easy to lay and can be modified to fit any area.

Our paving can also be used as capping stone for retaining walls or steps.

So if you are wanting authentic stone for your home or garden, look no further than our beautiful Adelaide Hills' sandstone.

For more information about this product or any others from our range please contact us on (08) 8390 3420.

## Product In Profile Carey Gully Flagstones

Carey Gully Flagstones are a great alternative to Random Paving. They are being used for stepping stones and pathways because they are reasonably flat.

The thickness varies from 50mm - 200mm and the average diameter ranges between 300mm - 800mm, giving you a great choice in sizes.

We will generally have Flagstones in stock and you're always welcome to pick out your own. This enables you to get the right shapes and sizes for your specific job requirements.

Recently our Flagstones have been used in Nature Playgrounds throughout Adelaide. They are a beautiful, natural product that is long lasting and durable.

Please feel free to come to the quarry to view our full product range or call us for a quote.
